General Membership Meeting

MISTY GAMBLE

Sculpture artist-in-residence at the Armory Art Center

Her work is inspired by the human figure and its infinite capacity for communication. As a child, Misty was immersed in her father's world of puppetry and the performing arts. She has traveled extensively, including Iran. Misty's current work includes life-size figurative sculptures, focusing on issues surrounding femininity, challenging conventional standards of morality, normalcy and propriety. Members, come join us for this wonderful opportunity to see Misty's work and view her slide lecture. You will be amazed!!!!

Attendees: please call the Craft Gallery if you are coming. Betty needs to arrange the room!

Board Meeting first at 11:30. Board members bring your lunch.

The League welcomes new members: Esther Blitz, Bethany Krull, and Ann Liebowitz. This is an exciting time for the league. Membership has swelled and venues are coming to fruition.

Thank you all for your support by work and by deed.
