Ceramic League of the Palm Beaches

September, 2023 Newsletter

Hello Everyone,

I hope you have all had a wonderful summer and you found a way to beat the heat in south Florida. For most of us that meant traveling somewhere cooler. Having just gotten back myself this past week, I am finding that many members have yet to return to the area.

Given that, and the transition of our new Board, we have elected to **not have a General Membership** meeting for September. Instead, your Board will meet to go over some new and exciting business that includes a website revision, new bylaws and upcoming workshops and collaborations within our art community. We will be posting any updated information periodically so please stay tuned!

We are looking forward to our October meeting to be held at the Armory Art Center, West Palm Beach, Florida. **The date and time TBD.** Please check your email regularly.

In the meantime, we have put together a few opportunities for you to check out in our area.
