Flamingo Park Design District

Celebrates

International Women's Day

Saturday, March 7

11am-3pm

The plaza at Flamingo Park Design District is home to several interior design/decorating shops, Casa Ceramica, and an artisan gallery/studio. As the businesses celebrate International Women's Day, they would like to partner with the Ceramic League of the Palm Beaches. Members are invited to demo, show and sell their work! Having CLPB artists present, working and displaying pieces is sure to add interest and bring an exciting dynamic to the event!! And wow, what a great opportunity for the league and its members!

There is space for 5 CLPB members to show, demo, and sell their work. Participants will be asked to set up a 3'x3' table or a 3'x6' table with work for sale. In addition, artists are asked to have another small table where some aspect of how their work is created can be demonstrated.

15% commission will be paid to CLPB by members who participate and sell.

Interested members contact Nazare Feliciano (felicianonazare@gmail.com) by January 22nd. The 5 spaces will be filled on a first come, first served basis.
