

MICHAEL BLAIR DEMO

November 8th Michael Blair Presentation

Join us as for an exciting educational opportunity with Michael Blair at Potter's Cove Studio, 5500 S State Rd #7, Lake Worth. Ceramicist Michael Blair will present a talk and demo, sharing his methods. Michael holds an MFA in Ceramics from University of Georgia, he is a former head of the ceramics department at the Evanston Art Center in Illinois, one of the first artists in residence at the PBC School of the Arts and currently teaches at the Armory Art Center and is an adjunct Art Instructor at Palm Beach State College, Palm Beach

Gardens Campus. Many thanks to

Gayle Newman, who has graciously offered the use of Potter's Cove Studio for the league's November meeting.
